

People who could use it

People with disability

MO GAMING AND VLOGS Wa...

Anyone with classes that are back to back that could use assistance on how to time their food so they do not starve themselves

MO GAMING AND VLOGS Wa...

It will be convenient for anyone to use

MO GAMING AND VLOGS Wa...

Professors that would like to eat between classes

MO GAMING AND VLOGS Wa...

Social Media

How can I grow this on social media?

MO GAMING AND VLOGS Wa...

What is the best way to engage with people?

MO GAMING AND VLOGS Wa...

What apps will we use?

MO GAMING AND VLOGS Wa...

What is the most popular social media app?

MO GAMING AND VLOGS Wa...

App Features

Accurate Timing on all food in the dining hall.

MO GAMING AND VLOGS Wa...

Allows user to input what food they like so the app can recommend them where to go each day

MO GAMING AND VLOGS Wa...

Different food options for different eating types (Vegetarians, etc...)

MO GAMING AND VLOGS Wa...

Track the amount of calories you consume, if the user inputs the meal they eat

MO GAMING AND VLOGS Wa...

Possible Problems

Could sgtart to become very inaccurate during rush times.

MO GAMING AND VLOGS Wa...

Give the wrong food options as the app AI doesn't truly know the human user 100%

MO GAMING AND VLOGS Wa...

Could not show all food types available as there will be so many

MO GAMING AND VLOGS Wa...

App may simply crash from an over use of it

MO GAMING AND VLOGS Wa...

Growth of the business

Advertise all over campus and in dining halls

MO GAMING AND VLOGS Wa...

Give out free app cards so that students and staff can identify the app

MO GAMING AND VLOGS Wa...

Give presentation on it

MO GAMING AND VLOGS Wa...

Allow word of mouth to spread the apps existence

MO GAMING AND VLOGS Wa...
